

Mathematics

Year 4 will be focusing on:
Decimals, money and time.

Year 5 will be focussing on:
Decimals and percentages and
properties of shapes.

English

In English we will learning about deforestation
and debating its impact on the
environment. We will then write pieces that
focus on Amazon adventure stories from other
cultures providing a great deal of cross curricular
links.

Computing

In Computing we will be focusing on
Computer Science and looking in
depth at word processing and word
processing.

Science

In Science this half term we will be
learning about animals including
humans. We will first focus on the
different life cycles in the animals
kingdom and then focus on classifying
and grouping animals including humans.

French

In French we will be focusing our
learning on seasons and weather,
poems, seasonal colours and beach
scenes.

PSHE

In PSHE, we will be looking at Sharing isn't
always caring, Cyber bullying & Shorts, Types of
abuse & Shorts, Impacted lifestyles & Shorts,
Making good choices, Giving assistance.

Gregory Class Summer 1 Term 2025

Religious Education (RE)

In our RE lessons we will be focusing
on our gifts and talents and how we
might use these to help others.

DT

In our DT lessons we will be designing,
making and creating a vehicle that
incorporates cogs, pulleys and gears.

Geography

In our Geography lessons we will be focusing
on South America and the changes to the
land. We will compare and contrast the
similarities and differences with our own
local area.

Physical Education (P.E)

In P.E we will be doing athletics and striking and
fielding games with BFC (cricket).

Music

In Music, we will be learning about contemporary
music and looking at 'The Fresh Prince of Bel Air'..
