

## Mathematics

We will be focusing on:

- Place Value
- Addition and Subtraction

We will compare numbers, order numbers and estimate numbers on a number line. We will also find the difference, explore fact families and complete missing number problems.

## Religious Education (RE)

This half term in RE, we will focus on the sacraments of baptism and confirmation. We'll learn about their meaning, the symbols used, and why they are important moments in a person's faith journey. We'll also explore how these sacraments connect people to the Christian community.

## English

This half term in English, we will be studying the story The Tin Forest. We'll read the story and explore its themes and characters. Outcomes will be adapted to different year groups and abilities, but everyone will work towards creating their own version of the story. The focus will be on writing with a clear purpose and thinking about the audience.

## PSHE

This half term in PSHE, we will be learning about the sacraments and what they mean. We'll also explore how each of us is unique and why it's important to respect and take care of our bodies.

## Science

This half term in Science, we will be learning about animals, teeth, eating, and digestion. We'll carry out investigations to test how effective different toothpastes are and explore how various substances affect an egg. This will help us understand how our teeth work and the digestion process.

Year 3&4  
Autumn 1  
2025

## Design and Technology

In DT this half term, we will be focusing on building 3D models with a pyramid-building project. We'll learn about the design of pyramids and use different materials to create our own models. This will help us practice measuring, cutting, and putting pieces together.

## Physical Education (P.E)

In P.E with Miss. Parkinson we will be learning gymnastics. In gymnastics we will demonstrate a sequence using travel and 3 balances. On Tuesday's, the children will continue to be taught PE by Burnley Football Club.

## Computing

This half term in Computing, we will use Purple Mash to learn coding and practice writing simple programs. We'll also focus on online safety and how to stay safe while using the internet.

## Music

Charanga: Mamma Mia! We will focus on combining pulse, rhythm and pitch. We will continue to embed the interrelated dimensions of music through games and singing.

## Geography

This half term in Geography, our class will be exploring Lovely Lancashire, with a special focus on the stunning Lake District. We'll learn about the area's natural beauty, landscapes, and why it's such a popular place to visit.
