Summer 1

2025-26

EYFS- Space

Personal, social, and emotional development

Children will continue to develop their friendships and learn to play and learn cooperatively. They will learn negotiation, compromise and to share. They will be supported to develop a growth mindset. In PSHE children will develop Religious Understanding, find out about personal relationships, life online and keeping safe through the theme Created to Love others. In Catholic Social teaching the theme to be explored is The Dignity of Work

Mathematics Children will reinforce the recognition of an amount just by looking at it up to 10 (using subitising). They will begin to combine sets and consolidate more and less. They will explore numbers up to 20 (10 and ? more) Children will learn to recognise and record numerals and have fun exploring the sequence of number. They will begin to share and group objects.

Expressive Arts and Design.

Children will have lots of opportunities to express themselves and their learning through a variety of media with a focus on painting in different styles and the work of a variety of artists. Children will explore using a wide range of resources. Music will be explored through the theme- Our World

Understanding the World

The children will explore the world by looking at Space. They will find out about the features of earth and other planets. They will explore night and day and find out more about light and shadows. They will explore space travel. Children will explore being safe online and using ICT tools.

Physical Development

Children will continue to develop both gross and fine motor control indoors and outdoors. In PE sessions, the children will explore athletic skills and dance. They will continue to enhance their early games skills.

R.E

The theme explored this half term is **To the ends of the earth**. The children will explore the request from Jesus for his friends to share his love and good news across the whole world. They will explore ways of showing kindness, love and joy in their own way to the people they meet. They will find out about how the Holy Spirit guides us and the events of Pentecost. The unit reminds the children of God's love for all people.

Communication and Language

Children will be provided with lots of opportunities to develop talk including extending vocabulary and developing sentence structure. They will order images from stories and events and retell or explain their understanding. They will learn to work in pairs and groups to orally rehearse and share ideas with others. They will continue to practise rhyme.

Literacy

Children will continue to practise writing emergently and applying their phonics skills. There will be a big focus on pencil grip and forming letters correctly which develops handwriting. Children will continue to learn the phonemes in phase 3 phonics and learn to blend and segment for reading and writing. Children will learn to read and write the tricky words in phase two and three. They will experience a wide range of books being read to them and to read for themselves. A love of reading will be promoted. Children will learn to have purpose in their writing and write for a range of purposes.
