

NEW Wraparound Coming September 2025!

Dear Parents/Carers,

We're excited to introduce Progressive Kids Wraparound Care, which will be running at St Michael & St John's RC Primary School, Clitheroe.

We understand the challenge of balancing a busy work schedule and also finding a convenient and trusted person to take care of your child. So, we'll be providing high-quality breakfast club, after school club, and holiday club childcare.

We've worked closely with the school to ensure the successful launch of the wraparound from September 2025. It would be great to see your support by using the wraparound, as we'd love to show you and your child all the enriching activities we have planned.

Here is an idea of some of the activities that the children will take part in:

1, Kids-Play – our inclusive child-led activities are zoned into 4 areas. We have an active zone, wellbeing zone, discovery zone and a creative zone. The children can free flow through the activities and get involved with the ones they enjoy.

2, Sports Activities - you'll find a different sport will be available each night, from Dodgeball to Nerf Wars or Archery to Football – there will be something on offer for everyone!

3, One-Off Events – we'll run seasonal arts and crafts events or unique activities like glow sports. There will be a series of one-off events each term to provide variety and opportunities to get involved in something different.

At the start of the new school year, we'll also be circulating Golden Tickets to all the pupils, which will allow different classes throughout the Spring term try the club free of charge – so look out for this information!

Finally, we believe our comprehensive before and after-school care not only addresses your needs but will provide an enjoyable and nurturing environment for your child.

We like to think what we offer is so much more than just childcare!

We look forward to seeing you and your child in the After Half term!

Kind Regards,

James Evans

Managing Director
Progressive Sports

P.S Don't forget to **look out for the Golden Tickets** that we'll be circulating in the New Year, as this will give you the chance to try the club free of charge for one session!
