

Bidding prayers REMEMBRANCE 2021

Written by THE G.I.F.T. TEAM

For the world

Dear Lord,

Help our brothers and sisters around the world to stop fighting and become friends. Help us to remember that WAR doesn't solve everything. Please stop conflict between countries and let us pray for a world of peace.

Lord Hear Us.

For our community

Dear Lord,

Thankyou for looking after us during the hard times such as COVID and other challenging times in our life, look after the community that we live in.

Lord Hear Us.

For the church

Dear Lord,

Help us to remember to care for our church, St Michael and St Johns. Let us remember the people who are in need, help us to grow our church and community together.

Lord Hear Us.

For our school

Dear Lord,

Help us remember the people who fought in the wars linked to our school, who helped the soldiers and the soldiers themselves. Help us to remember the people on Remembrance Day and for years and years to come. Let us wear our poppies with pride in the school that we are in.

Lord Hear Us.

For ourselves

Dear Lord,

Please help us remember all the members of our families who have fought in the past and who have made the ultimate sacrifice for us.

Lord Hear Us
