

# Laudato si'

# Laudato Si'

## LAUDATO SI' GOALS

### Response to the Earth's Cry:

- Turn lights/computers/taps etc off
- Pick up litter
- Don't pick flowers/grass etc – Take care of God's World.

### Ecological Economics:

- Model buying/thinking of the planet. Tell the children about it.
- Investigate fair trade products.

### Ecological Education:

- Encourage people around us to look after God's World.

### Ecological Spirituality:

- Share the vision of Laudato Si' across school and to the wider community.

### Community Engagement and Participatory Action:

- Links with Laudato Si' Church group.

### Response to the Cry of the Poor:

- Laudato Si' raise money for CAFOD in the summer term. Support raising money efforts.

*In the spirit of integral ecology, hope for the Earth and the Poor.*

# Garden Project

This is the garden area  
December 2021

This is the garden area July  
2022

# Garden Project

This is the garden area January 2022

So far this year (Sept 2022 – Jan 2023) we have:

- Created three new bedding boxes for children to use to plant in.
- Removed wooden edging and made the area safe for children to use.
- Cleared leaves/winter rubbish.
- Created Bug Hotel.
- Cleared prayer tree.

# Garden Project – Future Impact

We have been awarded a £500 grant from Ernest Cook Foundation that is to be used to develop the garden area.

Our Aims for the Garden Area:

- Grow more in the garden so it can be used in the kitchen or for snack for children. We want to grow carrots, aubergines, cabbages, tomatoes, potatoes, snap peas, beetroot.
- Grow flowers that can be used in church/attract wildlife – encourage natural species.
- Create a senses garden around the prayer tree – encourage wildlife and use of senses. Lavender, mint, curry plants, lambs ear. Use stones for pathway.
- Start a herb garden in the wheel bedding box.
- Look at starting the compost bins with tiger worms.
