

Mathematics

We will continue to develop our mathematical skills using the WRM Material by learning about:
-Decimals, negative numbers, converting units and measuring volume.

English

In English we will be looking at Myths linked to our Ancient Greece topic in History. We will be writing our own version of a myth as well as focusing on report writing and poems with figurative language.

Computing

In Computing we will be continuing to develop our knowledge of Word Processing (MS Word and Google)

Art/DT

In Art we will be completing 3D forms – Greek pots (clay, (Kunu Yamashita). We will be focusing on architects such as Phidius (Ancient Greece).

Science

In Science this half term we will be learning about Animals including humans. We will be focusing on the changes humans go through in their life.

Year 5 SUMMER 2

Year

Religious Education (RE)

Our Religious studies will be based around freedom and responsibility as well as stewardship, focusing on the work we have already done as Caritas Ambassadors this year.

French

In French we will be focusing on animals and their habitats.

History

In History we are going to be learning about Ancient Greece with an enquiry question of: How was life different in Ancient Greece to now?

PSHE

In PSHE we will be talking about girls' and boys' bodies and how they change, menstruation, the Holy Trinity and in Catholic Social Teaching we will be looking at a unit called reaching out.

Music

In Music we are looking at composing and chords.

Physical Education (P.E)

In P.E we will be learning about rounders and team building exercises.
