

Mathematics

We will be focusing on:

- Place Value
- Addition and Subtraction

We will compare numbers, order numbers and estimate numbers on a number line. We will also find the difference, explore fact families and complete missing number problems.

PSHE

In PSHE we will be talking about families and friendships. We will focus on people who are special to us and why. We will also explore keeping safe in the classroom by following rules.

Physical Education (P.E)

In P.E with Mrs Whyman we will be learning gymnastics. In gymnastics we will demonstrate a sequence using travel and 3 balances. On Tuesday's, the children will continue to be taught PE by Burnley Football Club.

Science

In Science this half term we will be learning about animals including humans. We will identify and name common animals. We will identify, draw and label parts of the human body. The children will also explore the school grounds to support them when collecting and recording data linked to the five senses.

Computing

In computing we will be focusing on online safety and grouping and sorting. We will navigate our way around Purple Mash to learn about the importance of passwords and saving our work.

Religious Education (RE)

Our Religious studies will be based around Domestic Church (Family). We will focus in particular on how Jesus came from a family who loved and cared for him. We will focus our learning on the creation story. We will talk about and ask questions about our wonderful world and all of God's beautiful creations.

Year 1&2
Autumn 1
2025

Music

Charanga: Hey You! We will focus on combining pulse, rhythm and pitch. We will continue to embed the interrelated dimensions of music through games and singing.

English

We are looking at stories in a familiar setting. Our focus text will be Harry the Happy Mouse. The children will learn exciting vocabulary and will write their own character descriptions. Y1 will continue with Phonics, using and applying lots of new letters and sounds. **(Phase 4&5)**. Y2 will begin Red Rose Spelling.

Design and Technology

In DT we will be exploring mechanisms. The children will explore, plan and make a vehicle. We will assemble, join and combine material to make our vehicles. The children will evaluate their final pieces.

Geography

We are going to be exploring a small town in the UK – Clitheroe. The children will locate Clitheroe using maps. We will be learning about climate change and will walk around our beautiful school grounds as we explore more about seasons.
