

## St Michael and St John's RC Primary School Gregory Class Curriculum Overview Spring 2

"Following the example of Jesus,  
together we learn, love and respect one  
another to be the best we can be."

### English

In English we will be writing our own version of Koji's island in the first person from the viewpoint of the boy in the story. We will be: Using expanded noun phrases, using and punctuating direct speech, using commas after fronted adverbials, using brackets, dashes and commas to indicate parenthesis and using adverbials and tense choices to build cohesion across paragraphs.

### Mathematics

Year 4 will be focusing on: Fractions and decimals

Year 5 will be focusing on: Fractions, decimals and percentages

**Geography** – We will be looking at where our food comes from.

**Science**-In Science this half term we will be learning about forces. We will be looking at why unsupported objects fall to the earth. We will be identifying the effects of air resistance, water resistance and friction that acts between moving surfaces. We will also look at levers, pulleys and gears.

### RE - Galilee to Jerusalem

This term, pupils explore Jesus' "New Law" and the Beatitudes, discovering how true happiness comes from spiritual wholeness. We will study the Transfiguration and use parables to see "love of neighbor" in action. By reflecting on the "Our Father," children will understand it as the perfect prayer that calls us into a family relationship with God, fulfilling the laws first given to Moses and the prophets.

### PE –Athletics

**Coach James** will be focusing on hockey.

**Art** – In Art we will be designing and creating a painting in the style of impressionist art. We will be exploring primary and secondary colours. We will create a painting in the style of Kadinsky.

**DT** – To be taught next term.

**Computing** – In Computing we will be looking at 3D modelling. We will use the 2 Design and make tool on Purple Mash. We will create and print a 2D model net which we will use to create a 3D model.

**Music** – The children will learn to count beats within different songs. They will use their performance skills when performing together as a class. They will clap back rhythms and use a xylophone when performing.

**PSHE/CST** In PSHE we will continue looking at how we have been created by God to love others. In CST the focus is on the poor and vulnerable.

**MFL**-In French we will be looking at pets.
