

Mathematics

We will continue to develop our mathematical skills using the DFE Material by continuing our learning about Fractions and decimals. The children will deepen their understanding of number.

Physical Education (P.E)

In P.E we will be focusing on invasion and target games on Wednesdays and dance on Mondays

French

In French we will be learning vocabulary about our family members. We will learn how to describe different people in our family.

PSHE

In PSHE we will be learning about keeping healthy including wellbeing. We will be learning about growing and how our bodies change and also keeping safe.

Science

In Science this half term we will be learning about living things, food chains and animals in their habitats.

English

In English we will be looking and learning about the features of Non-chronological reports in order to write our own. We will also be reading 'The Dancing bear.' by Michael Morpurgo.

Computing

In Computing we will be developing our knowledge further and learning all about computer networks with the software Purple Mash.

Religious Education (RE)

Our RE work will focus on our journey of LENT. Our unit of work is called THE EUCHARIST where we will be talking and reflecting on life choices.

Art

In Art we are going to be developing our understanding and practice of printing. We will explore different printing methods and research famous printers such as William Morris.

History

In History, we will be finding out more about the Ancient Egyptian Civilisation. We are very excited to be going on a trip to Manchester Museum to find out more.

Music

In Music we will be exploring the Charanga unit 'How does music improve our world. We will continue to learn simple musical notation and will compose and perform our own songs.

Year 4 SPRING TERM

25.2.25- 04.4.25

Year 4
