

English

In English, we are reading a variety of playscripts. We will be developing our use of adverbs, complex sentences and synonyms. We will then look at writing a playscript. Then we will be writing a non-chronological reports linked to other subjects.

Science

In Science, we will be learning about LIGHT.
We will be talking about how we see things, how light can be dangerous and shadows.

French

In French we will be leaning about different body parts and colours. We will keep practising numbers and greetings.

PSHE

In PSHE we will be talking about living in the wider world.

Music

This half term, our unit of work will be based on 'Dragon Song'. We will be looking at different songs from around the world. .

Mathematics

In Maths, we are revisiting fractions, looking at tenths, comparing and adding fractions.

The children will build on their understanding of Time looking at am and pm and the 24 hour clock.
We will then move on to money.

Computing

In Computing we will be developing our knowledge of databases and simulation graphs.

Religious Education (RE)

Our RE work will focus on The Pentecost. We will think about how we live our own lives and the way we treat others. We will develop our knowledge on the Ascension and learn about the Holy Spirit. We will also focus on making choices through talking about Reconciliation.

DT

In DT we will be studying mechanisms. We will be investigating how lever and linkage mechanisms. We will plan, design and make our own moving picture linked to our previous history topic.

Geography

In Geography we will be studying the Lake District. We will be focusing on both physical and human geography and answering a key question- how has the land use changed over time?

Year 3 SUMMER TERM 2025

Physical Education (P.E)

In P.E we will be developing our ball skills and completing a number of athletics activities.
